

Recognizing that this is considered sacred space by many, I/we agree to conduct myself/ourselves accordingly, treating all people, furniture, and equipment with respect and care.

I/we will check with church staff before moving any furniture and will return everything to the place I/we found them when I am/we are finished.

I/we will pick up and remove all programs, papers, trash, and decorations after the event.

I/we will not advocate hatred or violence while we are using the building and grounds of Second Congregational Church.

If a fee is charged for this use, it will be paid before the event. (Donations are welcome anytime)
